**Several New Clients Select TALX for Tax and Unemployment Solutions**

Atlanta (PR NewsWire) – (August 5, 2008) – TALX, provider of Equifax Workforce Solutions and a leader in human resource and payroll-related services has added several new clients to its comprehensive suite of Tax Management Services. The recently integrated TALX solution features Unemployment Cost Management, Employment Tax Services and Tax Credit and Incentives. CBS Personnel, Express and Hire Quest, LLC are among several companies who have recently contracted with St. Louis-based TALX to provide tax services.

Bill Canfield, president of TALX, comments: “It is a privilege to welcome this wonderful group of well-respected and widely-recognized corporations to our suite of Tax Management Services. One of our goals in unifying our company’s outstanding expertise in this area is to continue delivering optimal tax and unemployment solutions in a way that helps both new and existing clients benefit from our unique capabilities. Our national team of tax experts is informed, capable and conscientious in delivering value and identifying opportunities. I am very pleased to welcome our newest clients to TALX and we are all eager to deliver meaningful results to these companies.”

Comments Lou Reavis, Vice President of Client Relations, Tax Management Services, TALX, “Our diverse client base reflects the depth and breadth of our expertise and our ability to meet specific needs and capture unique opportunities for each respective client. We are privileged to welcome new clients and keep a results-oriented focus on our existing customers.”

With its full offering of tax services, TALX has strategically combined expertise in three critical tax-related areas to consult with clients on a more comprehensive approach to managing their respective tax liabilities and risk.

**Unemployment Cost Management:**

Provides flexible solutions for organizations of all sizes. TALX lowers unemployment costs by streamlining day-to day unemployment claims processing, conducting benefit charge recoveries, and assisting with the hearing and appeals process. Utilizing expertise and management tools critical for success, TALX partners with clients to recommend ongoing improvements to their internal processes.

### **Employment Tax Services:**

TALX offers comprehensive consulting to manage employment tax liabilities, strengthen pay practices, and identify refund opportunities. Leveraging expertise regarding federal, state and local tax legislation, TALX advises employers in the areas of mergers, acquisitions, taxpayer advocacy, best practice and other employment tax issues.

### **Tax Credits and Incentives**

Using a systematic approach, TALX tax professionals identify eligible federal, state and local programs to maximize financial credits and incentives aimed at reducing effective tax rates. TALX also manages the tax credit and incentive process for organizations that experience large capital investments, location expansion or employee growth.

### **About TALX:**

TALX, provider of Equifax Workforce Solutions and a leader in human resource and payroll-related services, is based in St. Louis. TALX holds a leadership position in automated employment and income verification as well as unemployment tax management. TALX provides over 9,000 clients, including three-fourths of Fortune 500 companies, with Web-based services focused in three employment-related areas: hiring, pay reporting and compliance. Hiring services include assessments and talent acquisition, onboarding, and tax credits and incentives. Pay reporting services include electronic time tracking, paperless pay and W-2 management. Compliance services include employment and income verifications through The Work Number, unemployment tax management and I-9 management.

Equifax is a global leader in information technology and one of the largest sources of consumer and commercial data. For more information about TALX, access the TALX website at [www.talx.com](http://www.talx.com), or visit the Equifax website at [www.equifax.com](http://www.equifax.com).
