About TALX:

TALX, provider of Equifax Workforce Solutions and a leader in human resource and payroll-related services, is based in St. Louis. TALX holds a leadership position in automated employment and income verification as well as unemployment tax management. TALX provides over 9,000 clients, including three-fourths of Fortune 500 companies, with Web-based services focused in three employment-related areas: hiring, pay reporting and compliance. Hiring services include assessments and talent acquisition, onboarding, and tax credits and incentives. Pay reporting services include electronic time tracking, paperless pay and W-2 management. Compliance services include employment and income verifications through The Work Number, unemployment tax management and I-9 management.

Equifax is a global leader in information technology and one of the largest sources of consumer and commercial data. For more information about TALX, access the TALX website at www.talx.com, or visit the Equifax website at www.equifax.com
